

Three Post-Doctoral Associate Positions Available

The Human Factors Division at the University of Illinois at Urbana-Champaign is seeking applications for three Post-Doctoral Associates in human factors, cognitive engineering, applied cognitive science, judgment and decision making, cognitive and human performance modeling, communication, sociotechnical systems, human-automation interaction, training and other areas related to human-technology interaction.

We are interested in a wide variety of application areas including aviation and space, health care and medicine, vehicular safety, human-computer interaction, the Internet, decision support systems, neuroergonomics, homeland security, public safety and others. We have extensive research facilities such as high fidelity driving and flight simulators, fully immersive virtual reality systems, etc. (see <http://www.isl.uiuc.edu/Labs/Labs.htm> and <http://www.humanfactors.uiuc.edu/resources/facilities.html>).

Associates will participate in Illinois' interdisciplinary program in Human Factors (<http://www.humanfactors.uiuc.edu>) in collaboration with the Departments of Psychology, Computer Science, the Industrial & Enterprise Systems Engineering, the Illinois Informatics Institute, the Graduate School of Library and Information Science, and the Beckman Institute for Advanced Science and Technology.

Positions are based on a 12-month year with an annual salary of \$40,000 for a minimum of two years. Appointments will ideally begin August 16, 2008 but other start dates may be considered. Prospective applicants are encouraged to contact members of the Human Factors faculty (contact information available at the above website) to discuss potential research collaborations and questions. Some teaching in an area of the Associate's expertise will be expected.

To apply, please send a curriculum vita, a reprint or preprint, and 3 letters of reference to Virginia Davis, Assistant Director, Institute of Aviation, 1 Airport Rd., Savoy, IL 61874. Ph: 217/244-8641, e-mail: davis12@uiuc.edu. To receive full consideration, applications should be received by May 1, 2008. Electronic submissions are encouraged. The University of Illinois at Urbana-Champaign is an Affirmative Action-Equal Opportunity employer.
