The [Pensacola International Airport \[PNS\]](#) is served by major airlines including Delta, American, United, and Southwest, as well as Frontier, Spirit, and Breeze. National and International itineraries are typically one-stop via major hubs such as Atlanta (ATL), Dallas/Fort Worth (DFW), Charlotte (CLT), Miami (MIA), Houston (IAH), Chicago (ORD), and Washington, D.C. (DCA).

Typical drive time from PNS to downtown Pensacola is ~15 minutes.

Lodging

IHMC has negotiated rates* for rooms at:

- [Hilton Garden Inn Pensacola Downtown \[0.5 mi from IHMC\]](#) <- outskirts of downtown
- [Courtyard Pensacola Downtown \[0.8 mi from IHMC\]](#) <- outskirts of downtown
- [Holiday Inn Express Pensacola Downtown \[0.5 mi from IHMC\]](#) <- heart of downtown

*When booking your room, rather than booking online, you will need to call the hotel and ask for the IHMC rate. The rate should reflect the government per diem rates. If the quoted rate differs, it means that the hotel is close to being sold out and they shut down any discounted rates.

Transportation

If you are staying downtown, there are many attractions and food options within walking distance of your hotel. IHMC is also located downtown and walkable to/from your hotel and to restaurants for lunch. However, expect to walk at least 0.5 miles. If you require transportation, look to [rent a vehicle at the airport](#) or hire an Uber/Lyft.
