ISCMI
2020

STOCKHOLM, SWEDEN
NOVEMBER 14-15, 2020

About Stockholm

Stockholm is Sweden's capital and largest city. Over 30% of the city area is made up of waterways, and another 30% is made up of green areas. Air and water are said to be the freshest of any European capital. Stockholm is the hub of most Swedish rail and bus traffic and has two of the country's busiest airports nearby, so it is a good starting point for visiting other parts of Sweden.

Accepted Papers after registration and presentation at ISCMI 20 will be published in the International Conference Proceedings, which will be indexed by Ei Compendex, Scopus, and some major databases.
