ICPR 2022 Call For Workshops

The ICPR 2022 Workshop Chairs invite proposals for the 26th International Conference on Pattern Recognition which is to be held in Montréal, Québec (QC), Canada during August 21-25, 2022. Workshops can be half- or full-day, and it is also possible to hold workshops that will be operated in a virtual format but it is expected that most workshops will take place at the same venue as the main conference.

We seek Workshops on timely topics and applications of Computer Vision, Image and Sound Analysis, Pattern Recognition and Artificial Intelligence. Workshops are expected to provide a forum for the active exchange of ideas and experiences. Members from all segments of the ICPR community are invited to submit workshop proposals for review. Each proposal will be assessed for its scientific content, proposed structure and overall relevance. Workshop organizers will be responsible for inviting speakers and ensuring their participation, submission and review of papers, and structuring leading discussion sessions.

Guideline for submitting proposals

The workshop proposal should be submitted via email to the ICPR 2022 Workshop Chairs at workshops@icpr2022.com **by January 17th, 2022** (11:59PM Pacific Time). You will receive an acknowledgement of receipt by email within a few working days.

The proposals should include the following information in the following format:

TECHNICAL WORKSHOP INFORMATION
1. **The title of the Workshop.**
    a. The topics covered by the workshop, with a description which specify the goals and the technical issues that the workshop aims to address.
    b. A brief discussion of why and the workshop is relevant and of interest for the community.
    c. A description of how the proposal relates to previous workshops at main conferences in the field.
2. **ORGANIZERS AND SPEAKERS INFORMATION**
    a. The names, affiliations and email addresses of the workshop organizers.

b. Why the proposers are well suited for organizing the workshop (including past experiences).
c. Invited Speakers Names and Tentative Talks Title. For each speaker, please indicate if attendance is tentative or confirmed.

3. **LOGISTICS**
   a. Preference for half-day or full-day workshop.
   b. Preference for on-site or virtual workshop.
   c. Estimated numbers of orals and posters.
   d. Tentative program outline.
   e. Expected number of paper submissions.
   f. Program committee list. For each committee member, please indicate if the inclusion in the list is tentative or confirmed.
   g. Expected number of attendees.
   h. Advertisement planned
   i. Special space or equipment requests, if any.
   j. In case the workshop plans to run a competition, please include details.

4. **IMPORTANT DATES**
   a. Workshop paper submission deadline.
   b. Notification to authors.
   c. Camera ready deadline.
   d. Proposal assessment
   e. Each proposal will be assessed based on its scientific merit, proposed structure, overall relevance, and how it complements the main conference.

The amount of **registration fee** will be set by ICPR 2022 and will be the same for all workshops.

ICPR 2022 reserves the right to cancel any workshop if there are too few registrations for the workshop by the early registration deadline to cover the costs of hosting the workshop.

Workshop sponsorship

If necessary, workshop organizers should obtain a sponsorship for the workshop from IAPR Conferences and Meetings Committee (http://www.iapr.org/conferences/applications.php). Otherwise, the workshop will not be sponsored by IAPR, and therefore the name and logo of IAPR cannot be used for the workshop.
