## **Important Dates**

Paper Submission Deadline 30 June 2025

Reviews Released 15 August 2025

Rebuttal Due 21 August 2025

**Decision Notification**1 September 2025

Main Conference 17-19 Dec 2025

## **Contact**

Email icvgip25@iitmandi.ac.in

Location IIT Mandi North Campus Kamand, Mandi 175075

## **Call for Papers**

**ICVGIP 2025** brings you a joyful experience with the serenity of a picturesque Himalayan valley, and an intellectually stimulating flow of ideas and learning.

The 16th conference in this distinguished series, will be organized by IIT Mandi in association with the Indian Unit for Pattern Recognition and Artificial Intelligence (IUPRAI).

The Indian Conference on Computer Vision, Graphics and Image Processing (ICVGIP) is India's premier conference in Computer Vision, Graphics, Image Processing, and related fields, providing a platform for sharing technological advancements and research findings in these domains.

**ICVGIP** continues its mission of fostering a vibrant community of researchers and enthusiasts in computer vision, graphics, and image processing, both in India and globally. Each annual conference strives to uphold this commitment, and ICVGIP 2025 promises to carry forward this tradition.

**Join Us at IIT Mandi** to share your cutting-edge research while surrounded by natural beauty that inspires brainstorming, meaningful exchanges, and fruitful collaborations.

## Topics of Interest include the following and related areas:

- Segmentation
- Texture, Shape, Colour
- · Restoration, Enhancement
- Visual Tracking
- Motion and Video Analysis
- Explainable Vision Systems
- Compressive Sensing
- 3D Reconstruction
- Object and Pattern Recognition
- · Machine Learning for Vision and Graphics
- · Medical Image Analysis
- Biometrics
- Virtual/Augmented Reality
- Human-Computer Interaction
- Vision for Robotics and Autonomous Vehicles

- · Vision-Based Graphics
- Activity Recognition
- · Shape from X
- Vision for Digital Heritage
- Shape Analysis
- Real-Time Graphics
- Animation and Rendering
- Scientific Visualization
- Document Image Analysis
- Remote Sensing
- Scene Understanding
- Statistical Methods & Optimization
- Vision + Language
- Vision and Graphics for Society
- · Applications of Vision and Graphics
- · Computational Imaging
- Sensors and Modelling

The proceedings of ICVGIP 2025 will be published in the ACM International Conference Proceedings Series (ICPS).
