Message from the Conference General Chair

Dear esteemed colleagues,

I feel ecstatic to announce and earnestly solicit your spontaneous participation for ISCFI 2027, the 14th edition of the annual flagship event of IICCI, to be held in Fiji in 2027. ISCFI, having its roots originated in New Delhi, the capital of the Republic of India in 2014, has since then embraced numerous countries as well as gearing up to establish its footprint across several new diverse nations encompassing all 6 inhabited continents, inter alia, Mauritius (2017) and Fiji (2027) - both of which are referred to as "Mini India" due to the presence of significant populations of Indian descent.

In addition to your participation at ISCFI 2027, this is a unique opportunity to gain a profound understanding and experience of the rich cultural heritage of our sovereign nation in Pacific. Don't let this chance pass you by. Seize this moment and grab this opportunity with both hands and have a productive & fruitful deliberations and effective collaborations at ISCFI 2027 conference along with an enriching Indian experience in Fiji, an archipelago in the South Pacific Ocean.
